

TEMPTATIONS

BY DESIGN

Winner of the 'Best British Bridal Awards' with a reputation for attention to detail and superb fit, **Temptations By Design** offers a selection of individually designed and beautifully made wedding gowns that will capture the imagination of any bride to be.

Situated in the market town of Ashbourne, our shop is packed full of some of the most inspiring dresses to be seen. Whether your tastes lean more towards elegant simplicity or medieval style corsets with a contemporary twist, then we have something for you.

And if you can't find exactly what you are looking for then we can design it for you. Our design service enables you to receive expert advice on the styles that will suit you yet still allow you to put your own stamp of individuality onto your gown.

Whether purchased from our sample range or designed to order every gown is made to fit the individual, and will be created to the standard expected from this renowned company.

A full range of accessories is also available.
